

## Lesson Plans for 8/29-9/2

### Ag Orientation

Monday: Play Review Game to prepare for test.

Tuesday: Take Test

Wednesday: Begin Agriculture History unit with Modern Marvels DVD. Students will list dates on a timeline as they watch the movie.

Thursday: Add dates to timeline with PPT presentation and in class discussion.

Friday: Pass out ag history worksheets to be worked on in class and (if not completed) taken home as homework.

### Welding

Monday-Thursday: Practice Oxyfuel processes in welding lab.

Friday: Pass out arc welding packets and worksheets to be worked on and completed in class.

### Enviro Science

Monday: Take a completion grade on the study guide. Play family feud review game to prepare for test.

Tuesday: Take Ecology Test

Wednesday: Begin the forestry unit with PPT and notes.

Thursday: Continue forestry unit with PPT and notes.

Friday: Pass out forestry worksheet packet to be worked on in class and (if not completed) taken home as homework.

### Ag Science

Monday: Review the fourth chapter's review questions together in class. Begin weed ID PPT.

Tuesday: Finish Weed ID PPT.

Wednesday: Discuss added IPM concepts with PPT and notes.

Thursday: Pass out IPM worksheet to be worked on in class and (if not completed) taken home as homework.

Friday: Begin pressing and identifying weed samples brought in by students for weed collections.

### Horticulture

Monday: Assign the take home test to be worked on in class and (if not completed) as homework due on Tuesday.

Tuesday: Plant perennials in the front flower bed.

Wednesday: Water plantings in front flower bed. Begin Floral Design PPT and notes.

Thursday: Continue Floral Design PPT and Notes. Pass out floral design worksheet packet due on Friday.

Friday: Give students 10-15 minutes to finish up floral design worksheet packets. Demonstrate bow tying. Practice bow tying in class. Give every student 2 ribbons and 2 wires to practice at home.

### Ag Bus Mgt

Monday: Finalize the Coop business plan.

Tuesday: Review for unit 1 test.

Wednesday: Take unit 1 test.

Thursday: Pitch business plan to administration.

Friday: Discuss outcomes of proposal and adapt plan to changes requested.
