

## **My Opportunities in the FFA**

You are to find a Junior or Senior member of the FFA and interview them about what FFA has done for them. To prepare for the interview you will need to create a list of 15 unique questions concerning the FFA and its benefits. Then you will need to sit down with your interviewee, ask your questions, and record the answers (you may summarize). Next, consider how the FFA might impact you and discuss these thoughts with your interviewee. The last phase of your assignment is to create a 4 year plan including the classes you would like to take in high school, the clubs and sports you would like to play, and the role you would like FFA and agriculture education to play in your high school career. Please include possible SAEs, CDEs, and activities that would interest you.

What to Turn in:

- Your list of 15 questions with the appropriate responses from your interviewee (include their name).
- Your 4 year plan

This assignment is due \_\_\_\_\_ September \_\_\_\_\_, 20\_\_\_\_\_.
